

## **ARAKUR USHUAIA RESORT & SPA**

The luxurious Arakur Ushuaia hotel is located within the Cerro Alarkén Nature Reserve in Tierra del Fuego, the southernmost province of the Argentine Patagonia. Arakur Ushuaia is a member of *The Leading Hotels of the World* and it is the only resort in the Southern Patagonia to have become part of this exclusive group of hotels.

Close to Mount Alarken's summit and located on a natural balcony 800 feet above sea level, the luxurious hotel is found in all its splendor, amidst a 100 hectares of native forests of *lengas*, *ñires* and *coihues*, which are home to diverse species of fauna and flora, offering the perfect balance between calmness and adventure.

Offering privileged views of the city of Ushuaia and of the Beagle Channel, Arakur Ushuaia is located just 10 minutes from the city and the port of Ushuaia and 20 minutes from the international airport and the Cerro Castor Ski Resort.

With more than 100 available rooms and suites, Arakur Ushuaia was created to enjoy its facilities, respecting and deeply caring for the environment by promoting the wise and sustainable use of resources.

The magnificent lobby welcomes the guests with its large windows, the warmth of their fireplaces, and a sophisticated décor made with fine materials from different Argentine regions, such as craft leather and Southamerican aromatic wood: rosewood, *lapacho* and incense, which provide the stay with warmth. The Hansgrohe faucets and Duravit bathroom appliances with Starck design, distinguish the stay by their exquisite sophistication.

The sophisticated and native elegance combines with the leading-edge comfort technology, with a Samsung LED TV 40", a home automation system with led-lighting control, alarm clock scheduling and automated curtain opening, air renewal and humidification, geothermal cooling system and acoustic insulation, among others.

Through their large windows, each room in Arakur Ushuaia offers panoramic views. Towards the south: the city of Ushuaia and the Beagle Channel and to the north: the valleys, the mountain ranges and the Cerro Alarkén Nature Reserve.

## **HEALTH, WELLNESS AND FUN**

For calm and relaxation, the hotel offers a pool area with 200 m<sup>2</sup> (2152.8 ft<sup>2</sup>) water mirror pools, a 17-meters lap swimming pool, an edge *infinity* in-out relax pool with underwater music, which, in the indoor section, offers two hydrojets areas and a kids' pool as well as two hot tubs for up to ten people in the outdoor deck with panoramic city and sea views.

The area has a solarium, radiant floor heated changing rooms, a pool bar, massage and hairdressing services.

For a healthy and complete training routine, the fitness area offers Technohym technology and an 80 m<sup>2</sup> sector of treadmills, elliptical trainers, stationary bicycles, Kinesis, weight benches and dumbbells; all of these with a panoramic bay view.

### **TYPICAL FLAVORS FROM TIERRA DEL FUEGO**

At Arakur Ushuaia, the “*haute cuisine*” shines in a beautiful environment in *La Cravia* restaurant, where an Argentine and international menu can be ordered either in a buffet service, a typical Argentine grill for everyone to see or à la carte.

Nestled in its terrace on the edge of the hill, the restaurant is the ideal setting for having breakfast, lunch or dinner after a walk or a ski day. Some of the delicacies guests can enjoy, with an unparalleled view of the bay and the city, are king crab, lamb and Patagonian seabass, among others.

A wide range of drinks, local hand-brewed beers and Argentine wines together with cheese and Patagonian cold cuts platters await at the Lobby Bar in order to enjoy a unique sunset over the bay to the soft melody of the Steinway average tail piano.

### **CERRO ALARKÉN NATURAL RESERVE – INDOOR AND OUTDOOR ACTIVITIES**

With more than 100 hectares (247 acres) of a natural reserve of native forests, flora and fauna and more than 1 km (0.62 miles) of river bank along Arroyo Grande, Arakur Ushuaia was thought for those who enjoy life outdoors all the year round and in any season, offering multiple alternatives to experience nature intensely.

The hiking trails that go through the Cerro Alarkén Nature Reserve begin at its gates and guests can go hiking, at different levels, through the native forests, the peat field, the Cerro Alarken’s summit and the Arroyo Grande, among others.

The natural scenic overlook that is located at the top of the Cerro Alarkén offers panoramic views of the Ushuaia Bay area, the Martial and Vinciguerra mountain ranges with its glacier, the Andorra and Río Chico valleys, Mount Cortés, Mount Olivia, Mount Cinco Hermanos and the Beagle Channel.

Some of the activities guests can enjoy are: guided trekking tours along Andorra Valley, Vinciguerra Glacier, Laguna de los Témpanos, Mount Cortés, Río Chico Valley, the Beaver Dam and the waterfall, wildlife watching, fly-fishing lessons and photo walks, among others.

During the winter season, guests can practise ski or snowboard on the 25 graded ski runs of Cerro Castor and enjoy Husky sled rides, snowcat, snow polo tournaments and snowshoe hikes.

### **EVENTS**

Both for social and corporate events, Arakur Ushuaia is a different and distinguished option to honor the guests, offering facilities for event of all types and sizes.

Arakur Ushuaia offers a 1300m<sup>2</sup> (14,000 sq. ft.) special venue for events and conventions with separate access.

The Magallanes Room is located on the ground floor and has been designed and equipped for all kinds of events. It includes a private foyer, which becomes perfect for receptions. The ballroom has large windows overlooking Ushuaia Bay and the Beagle Channel.

Additionally, there are 3 meeting rooms on the second floor which can be opened up into a larger and wider room offering an impressive valley view.
