

Unique clay and rock formation on Peru's Pacific Coast, reachable only at low tide.

Lima Tours

Fifty eight Years Leading the Industry

Lima Tours is the high touch – high tech travel service organization in Peru providing absolute client satisfaction through enhanced products and top quality service focusing on each traveller's profile and fully anticipating their needs.

Ever since its foundation in 1956, Lima Tours has steadily gained recognition within the industry as the benchmark travel company in Peru. Warm hospitality, attention to detail and experienced staff are some of the trademarks that have lead to successful operation and leadership position.

“Crafting magnificent experiences in Peru, one guest at a time” has been Lima Tour's motto for the past five decades, and sharing the country's many wonders is the passion of its entire team.

Lima Tours has received the Business Creativity award in four occasions, the last one on 2014, for its communication platform Ultimate Journeys: Travel in Peru, conformed by a website, print magazine, a video online channel and app, showcasing Peru at its best.

The Lima Tours Foundation is committed to preserving and promoting Peru's cultural and natural heritage, benefiting traditional Andean communities such as Huilloc and leading other worthy causes.

Today the company continues spearheading the Peruvian travel industry providing a perfected performance and thus delivering the Lima Tours way.
